

Greater Centennial
African Methodist Episcopal Zion Church
Reflecting the Glory of God

JOB POSTING: Media Director

Overview:

Greater Centennial is seeking a media director to use their technical skills and creative abilities to manage and enhance the church brand by creating high quality, compelling video content that reinforces the mission and vision of the church. The director must be able to see all video projects from concept to screening and provide technical support for networks and all computer systems

Responsibilities and Duties:

- Shoot and edit videos for use in weekend services, special events, promotions, and testimonials.
- Capture footage of church-wide events for the media archive to use for future videos.
- Produce social media clips for event promotion and recap.
- Direct and manage live streaming and live social media events and platforms
- Direct cameras and live switch for all Church services and events.
- Oversee paid and volunteer staff in the production of all church marketing tools
- Train, and equip volunteers to support and assist in creative video production.
- Maintain an organized digital media archive of useable footage, photography and completed projects.
- Keep online media updated to latest videos and information regarding events
- Stay current on emerging trends in video production and storytelling.

Qualifications:

- Must have work experience in the video production and working knowledge of social media platforms.
- Must have good interpersonal skills and Christian identification
- Must have strong ability to prepare reports and communicate concepts to the pastor.
- Must have knowledge of computer software and hardware applications

Salary and Benefits:

- \$40,000.00 /year
- Health and Life Insurance
- Vacation Time
- 403B investment after 1year of service

If interested in applying, submit your resume and contact the office at (914) 664-1838 Ext 107 to set up an interview.
